

# 9 FINGER PUPPET PROJECT

BURT ARNOLD, ANNA HARNESS,  
ASHLEY HAMPTON

# KINDERGARDEN STANDARDS

VAK.CR.4.c

Create works of art using traditional and/or contemporary craft materials and methods.

TAK.CR.1

Organize, design, and refine theatrical works.

# OBJECTIVES

## Art

Students will make a puppet using creativity and art skills.

## Theatre

Students will make a small skit using the finger puppets and perform for the class.

# THE LESSON

## Intro:

- Teacher will introduce the concept of a finger puppet
- Teacher will ask students what type of accessories they would add to their puppet and make an anchor chart of ideas

## Makers Space Tech:

- Teacher will use cricut to cut out finger puppets and accessories the students suggested to add

# THE LESSON

## Art time:

- Students will use the cricut pieces to make their finger puppets

## Theatre Time:

- Teacher will then partner up students and give them 5-10 minutes to make a small skit with their finger puppets
- Students will then perfrom their skits in front of the class
